MORNING ON TCHANGE

In sympathy with sugar's drop to the exchange today, though not so much as might have been expected, since the weakness of the last week discounted a general decline. Even with 4.64 no lower level than the present would be unjusted except for speculative maneuvers—which must be taken into account.

Within ten minutes after an application of Danderine you cannot find a single trace of Dandruff or a loose or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you will see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strang one small strangers.
